PREDICTABLE RATE PROGRAM

Our Predictable Rate Program gives our Associates the option to keep their commissions in exchange for agreeing to pay a monthly fee. This program works well for agents who prefer this form of compensation plan because they not only maximize their commissions, but can better predict and maintain greater control over their expenses.

FLEXIBLE INCOME PROGRAM

For Associates who prefer less pressure, we designed our Flexible Income Program. This plan gives our associates the ability to avoid the pressure associated with the obligation of a monthly commitment, but still gives them the opportunity to make the most of their earnings. Starting at a very generous split, once their gross commission income exceeds a reasonable, pre-determined annual amount, they retain a larger majority of all addition commissions.

“JUST BE GREAT!” MENTORING PROGRAM

“Just be Great” is a powerful, personalized coaching system designed to dramatically reduce the guess work, and trial and error, associated with getting the results you want . . . fast. This ONE YEAR PROGRAM facilitated by a Certified Trained Mentor helps New and Experienced Associates rapidly reach production levels normally requiring years of work to achieve through the use of effective proven techniques.
